The Offerings during July will be divided between:-

KRASIFAID (Work in Bulgaria)

KRASIF is the Bulgarian word for 'Beautiful'. The need in Eastern Europe remains great and is only slowly changing for the better. The most vulnerable are still very much at risk and desperately poor. Many lack adequate health and social care.

We work with a number of trusted partners and together our focus is to bring 'Good News to Bulgaria'.

THE LEPROSY MISSION

The Leprosy Mission is an international Christian development organisation that diagnoses, treats and offers specialist care, including reconstructive surgery, to leprosy patients. Our aim is to transform and empower the lives of people affected by leprosy.

Shaded areas are the days when Pastor Ian is on-site.
