The Offerings during October will be divided between:-

GIDEONS INTERNATIONAL

We have one simple and clearly defined aim: to win men, women and young people for the Lord Jesus Christ. We use three basic and clearly defined methods in pursuit of this objective: 1 The association of Christian business and professional men and their wives for service. 2 Personal testimony and personal work by all members. 3 Placing and presenting Bibles and Testaments - God's Holy Word, in the main streams of life.

S.G.M. LIFEWORDS

Our passion is to see the Bible freely shared with others – changing lives and helping people to come to know Jesus for themselves. We produce a range of literature resources, develop mission programmes for marginalised communities, and pioneer new ways for people to explore the Bible in their own language and culture.

Shaded areas are the days when Pastor Ian is on-site.
