

## 2017 Garden Party

A massive thank you must go out to everyone who helped make our Garden Party such a great success, raising the incredible total of £1,388.48 which is going towards our residents activities.

We want to thank everyone who worked so hard on the day, for the army of volunteers, and all those who attended and made it such an enjoyable time, without you all, the day would not have been such a great success.

Many Thanks

*Stewart & Elizabeth*  
Management Team
